

KINKY BOOTS Show at The Civic Auckland - itinerary

Saturday 3rd March

This NZ premiere production of Kinky Boots is strutting into town!

Director David Adkins says he is thrilled to be bringing such an exciting show to New Zealand for the very first time.

KINKY BOOTS has inspired audiences across the globe, reminding everyone we can change the world when we change our minds. This uplifting sensation features a winning score by Cyndi Lauper, a book by Tony winner Harvey Fierstein and a creative team packed with New Zealand talent. Filled with glitter, glam and a whole lot of sole, Kinky Boots invites you to feel the joy all over again!

A big-hearted musical extravaganza that won six Tonys including Best Musical, the Grammy for Best Musical Theatre Album and London's Olivier Award for Best Musical.

KINKY BOOTS features a joyous, Tony-award-winning score by pop icon Cyndi Lauper, and a hilarious, uplifting book by four-time Tony winner, Harvey Fierstein. Billy Porter won a Best Actor Tony Award for his portrayal of Lola. Charlie Price has reluctantly inherited his father's shoe factory, which is on the verge of bankruptcy. Trying to live up to his father's legacy and save his family business, Charlie finds inspiration in the form of Lola, a fabulous entertainer in need of some sturdy stilettos. As they work to turn the factory around, this unlikely pair find that they have more in common than they realised and discover that when you change your mind, you can change your whole world.

KINKY BOOTS is full of opportunities for a theatre to flex its artistic muscles with elaborate costumes, exhilarating choreography and a heartfelt story. A surefire crowd pleaser, KINKY BOOTS will have audiences dancing in the aisles and discovering why, sometimes, the best way to fit in... is to stand out!

KINKY BOOTS will be helmed by one of New Zealand's most experienced

directors, David Adkins (Miss Saigon, Sister Act) and will feature a dazzling new set by Harold Moot and suitably outrageous costuming by Stephen Robertson -- all created in New Zealand.
