

Hodderville Farm Event Centre Tour & Catered Lunch - itinerary

Wednesday 30th October MT,L

Let's begin our captivating day tour departing from Tauranga, initiating the journey with the allure of Secret Spot Hot Tubs in Rotorua. A quick tour sets the stage for a lovely morning tea at the adjacent café, unfortunately, we won't have time to soak our feet today as we will need to continue on our next activity. The expedition continues to the enchanting Hodderville Farm & Event Centre, where a talk unveils the mysteries of the farm, followed by a catered lunch. Immerse in the scenic beauty with a drive through one of the farms and a visit to the nursery. Hodderville prides itself on supporting the proper and sustainable care of our land, our livestock, our flora and fauna, our water, and especially the people and their local community. The day crescendos at Over The Moon in Putāruru, where the group indulges in a special presentation and tasting of four exquisite cheeses. As the sun sets, the tour concludes, leaving participants with memories of a day filled with culinary delights, scenic wonders, and agricultural insights upon their return to Tauranga.
