

June Mystery Tour 2025 - itinerary

Tuesday 10th June

MT, L

Join us for a day of intrigue and mystery, first we'll tread upon lily pads, not in ponds but in a place where stories abound. From here engines roar and memories soar, as classic treasures await in a private domain. A delightful destination for lunch whispers tales of days gone by, amidst cream and olden charms. Then onto and under the canopy of nature's embrace, we wander through halls of green, where silence speaks in whispers divine, revealing secrets of a sacred shrine. Feeling rather satisfied with our days discoveries we'll head home fill our new tales to tell.
