

Classic Wooden Boat Parade Cruise & Lunch Day Trip 2026 - itinerary

Full Payment Required on Booking.

Saturday 7th February 2026 MT, L

This will be a fabulous day on Lake Rotoiti to remember. Sit back on a beautiful launch with all the home convenience's available to you. Watch the huge flotilla of Classic Wooden Boats go by as part of their annual parade that is fast becoming an iconic Rotorua event. The Wooden Boat parade is a fun day displaying up to one hundred wooden boats some well over one hundred years old! These beautiful vessels have been lovingly restored or are going through the process and all are a delight to see on the calm waters of Lake Rotoiti. We will get up close to the action from the comfort of a 40-foot double level launch where you can take in the spectacle as the boats parade around the lake through secluded coves before having a catered lunch on board complemented with refreshments. This is a fabulous day out on one of our gorgeous local lakes.
