Wednesday 17th June 2026      MT, L

Begin your journey with a day full of craftsmanship, history, and a hint of mystery. First, you'll gather for a demonstration that will bring ancient skills to life, as you watch the forging of a tool once essential for survival. Afterward, settle into comfortable chairs and enjoy a morning treat, surrounded by the sounds of creation. The day continues with a hearty meal, where local flavours and a warm atmosphere set the stage for a relaxing break. Then, step into the past as you visit a place where stories and artifacts from bygone eras are brought together, offering a glimpse into a rich history. Afterward, with new knowledge in tow, you'll return home, reflecting on a day of skill, culture, and discovery. Can you guess what activities this mystery tour has in store?
