

October Mystery Trip 2024 - itinerary

Monday 7th October

MT, L

Step into a day shrouded in mystery, where the journey unfolds with a tantalizing morning tea, teasing the senses with hints of elusive flavours. Navigate the secrets of speed amidst the whispers of engines at a destination concealed within the enigmatic countryside. Immerse in the art of coffee alchemy at, nestled within the Hub, a clandestine haven. A two-course set lunch, adorned with light main courses and enigmatic desserts, awaits, accompanied by tea and coffee that hold the essence of intrigue. The enigma deepens with a visit to a Garden that began as scratching on paper in 2007 when the chance to purchase 4 acres of bare land was presented to the owners. This is where nature's secrets are whispered, creating a captivating riddle that unravels with every step of the mysterious expedition.
