

# November Mystery Trip 2024 - itinerary

Tuesday 12th November

MT,L

Let's launch into the day's activities on a journey veiled in mystery, departing from Tauranga. Begin with a morning ritual amidst the secret wonders of a clandestine garden, where whispers of nature beckon. There are unusual plants and trees not generally seen in many gardens and the focus is on having a garden for all seasons. From here we delve into an enigmatic affair with a catered lunch and a talk at a retreat. This is a little piece of paradise, set in native bush atop a steep mountain with commanding views of the valley. Offering not just culinary indulgence but also the allure of a concealed geothermal pool and undisclosed revelations. Can you work out where we are heading today on our magical mystery tour, join us to see if you are right.
