Monday 27th March 2023

MT, L

What a spectacular way to break up the week! Today, we'll experience a superbly scenic drive to Lake Taupo's volcanic plateau. After a brief comfort stop for a yummy morning tea at The Wooden Farmer in Putaruru, we are escaping to a world of unabashed luxury. The Kinloch Manor and Villas dominate a ridgetop eyrie and offer a bird's eye view of mountain ranges, the undulating foothills, a dazzling Lake Taupo, and the fairways and greens of a world-class Jack Nicklaus designed golf course. After a tour of the property by our guide to introduce us to all this elegant retreat has to offer, we will be lunching at The Kinloch Club. Dining here is described as a culinary journey with a menu epitomising the best of local fare, organically grown on the estate and paired with fresh seafood and robust game - created to delight the taste buds.
