This award-winning luxury lodge is a life-long dream realised by the owner and passionate naturalist John Sax and nestled in 2,500 acres of 800-year-old native forest. This uniquely New Zealand experience is a sanctuary and retreat of breathtaking terrain, offering the ultimate in world-class accommodation and adventure. The Lodge's elegant, ecology-inspired, and architectural style is derived from the country's pioneering past. With timber and stone finished echoing the natural beauty and simplicity of the great outdoors. Treetops offer seven streams, on-site trout fishing, four lakes and over 35 miles of adventure trails. Of note is Treetops Estate to Plate philosophy. Most of the dishes created by the dedicated team of chefs featuring ingredients reared or grown on this vast estate and near 100% pesticide-free. These include world-class game and trout and highlight estate-grown fruit and vegetables plus unique native herbs from the forest. Join us for a lovely lunch in a wonderful setting that will leave lasting memories.
